BIOGRAPHY

Olsen lives and works in Berlin.
After visiting the Gobelins School in Paris Olsen* started a career as an animator in the film industry. 2000 he turned to 3D Imagery and practiced classical sculpture in the evening at the Volkshochschule from BerlinBerlin.He is a fervent admirer of Rembrandt Bugatti, Barye and Jean-baptiste Carpeaux. His interest is to represent living beings, human and animal and create staggered interactions, inconsistencies and quirks in terms of sizes and situations as well as giving human attitudes to animals and animal behaviour to humans.
From now on he is represented by the gallery 55bellechasse as a guest Artist.
